

GEAPS Awards Five 2009 Harold Reece Grain Operations Scholarships

Minneapolis, MN-The Grain Elevator and Processing Society's International Executive Committee in May awarded five \$500 2009 Harold Reece Grain Handling Operations Memorial Scholarships to:

- . Blake Adams-to attend Kansas State University in fall 2009, Milling Science program; employed by Miller Milling Co.
- . Travis Davis-to enroll in graduate-level agribusiness-economics classes at Kansas State University in January 2010; employed by ADM.
- . Ryan T. Harp-to attend Kansas State University in fall 2009, Department of Grain Science and Industry.
- . Brandon Harvey-current student, University of Missouri-Columbia agricultural systems management program; summer intern with Bartlett Grain Co.
- . Carl Tharman-to attend Kansas State University in fall of 2009; Feed Science and Management program; intern with Bartlett Grain Co.

The scholarship program is named after Harold Reece, who worked for 25 years at Bunge Corp. and was GEAPS president in 1995-96.

The scholarship, which is available for tuition and books only, is paid directly to the institution.

For more information, call GEAPS at 952-928-4640.
